Board Meeting 20/03/2018

Agreed Report:

- The Board are delighted that traffic calming measures including signage and a ramp are in progress for the carpark.
- The Board compliment the work of the Literacy Team on the completion of the Literacy 2017-2020 Literacy Plan and wish them every success.
- The Board are delighted to see the additional accommodation in full use and wish to extend sincere thanks to the Complex Committee for accommodating the change to the gym.
- The Board wish to thank all the former Student Council members for their hard work.
- The Board wish to congratulate all new Student Council Representatives and wish them every success during their term of service.
- The Board can report that Grange PPS is fully compliant with new Child Protection Procedures, including training and completion of a Child Safety Statement and Risk Assessment.
- The Board wish to inform all stakeholders that the Child Protection Statement is available to view in the main school office and on the school website.
- The Board ratified a Policy on managing significant emergency situations (Aggression/ Medical). The ratified policy is available to view on the school website.
